

ELECTRIFICATION AND HOME ENERGY EFFICIENCY PANEL

Saturday, February 28
2:00 – 3:30 p.m.

Wilmette Public Library

- ✓ Join the Village's Environmental and Energy Commission for a panel discussion on residential electrification and home energy efficiency.
- ✓ Local experts and owners of fully electrified homes will explain what electrification is, share lessons learned, and answer audience questions.
- ✓ Whether you're just starting out or already planning upgrades, this discussion will offer useful takeaways for homeowners..
